G. Albert Clark

George Albert Clark, 85, Springville and previously of Heber City, died Friday, March 1, 1985, at a Payson hospital.

He was born May 20, 1899, at Vernal to George Albert and Annie McCurdy Clark. He married Mable Chatwin Dec. 12, 1923, at Duchesne. The marriage was later solemnized in the Salt Lake City Temple of The Church of Jesus Christ of Latter-day Saints.

G. Albert Clark

He was an active High Priest in the LDS Church.

Survivors include his wife of Springville; children: Nova Turnbow and Ned A. Clark, both Salt Lake City; William Clark, Magna; Eldora Peterson, Bountiful; Mrs. John (LaFonda) Carroll, Ted Clark and Mrs. Benny (Judy) Gardner, all Heber City; Mrs. Delmore (Georgetta) Ivie, Duchesne; Trent Clark, Woodscross; Mrs. Gary (Rava) Giles, Grantsville; Mrs. Stanley (Joene) Olsen, Springville; 54 grandchildren; 79 great-grandchildren; one great-great-grandchild; and a sister: Ethel Beebe, Vernal.

Among the relatives who preceded him in death were a son and a daughter: Ronald and Glora.

Services will be 11 a.m. Monday at the LDS Heber City 5th Ward. Friends may call at Olpin Mortuary, 288 N. Main, Heber City, 6-8 p.m. Sunday and at the church Monday one hour before services.

Burial will be in Altonah Cemetery.

Developers Plan New Construction in County

23 May 1985

Heber City (May 15) - Preliminary approval was granted today by the Wasatch County Commission for two construction projects.

Clift Jordan was granted approval for an RV and mobile home park to be located on his property at Jordanelle. The Jordan Ranch Mobile Home Park will feature 50 mobile home sites, on 14 acres, and an 80 unit RV park to be situated on 12½ acres.

The commission also approved Brent Hill's plan for construction of the Daniels Summit Inn. This project will be located at the summit of Daniels Canyon across the road from the site of the old Ace Bethers station. Plans call for initial construction of a service station, followed by a restaurant, motel, and cabins.

It was pointed out that a service station located at the summit of Daniels Canyon would be of special benefit to motorists in the winter as it could provide emergency services during storms.

Construction on both projects is slated to begin this summer.
